### Garbage Guidelines

- There is a 10 bag limit per household. No household cleanouts!
- No televisions are allowed in the solid waste stream in accordance with New Jersey State Law.
- The following items must be source separated and disposed of at the residents expense: Construction Debris, Concrete Material, Demolition Material, Hazardous Material, Industrial Byproduct and Roofing Material.

### Recycling Guidelines

- As per New Jersey State Law and Chapter 146 of the Code of the Township of Cedar Grove, recycling is **MANDATORY** for all residents and businesses.
- It is the responsibility of the resident to recycle according to the listed guidelines.
- Recyclables are to be placed in the correct container and at curbside the evening before the day of collection.
- You can help avoid missed pickups by not placing your recyclables next to trees, telephone poles, parked cars or other obstructions and by having the material at the curb for collection at the proper times and in the proper recycling containers.
- Recyclables may not be placed in the street.

### Holiday Closings

Recycling **will not** be collected on the following holidays. Collection will resume on your next scheduled collection day.

**Recycling, Garbage, Bulk Trash & Vegetative Waste:**  
 973-239-1410 ext. 203

# Vegetative Waste and Leaf Collection

**Vegetative waste shall consist of grass clippings, weeds, branches, trimmings, twigs, small bushes with dirt removed and yard debris.**

- Loose leaves are to be separated in BROWN BIO-DEGRADABLE PAPER BAGS and will be picked up by the Department of Public Works during the special collections periods below and at all other times by the Special Vegetative Collection contractor.
- No vegetative waste is allowed to be disposed of with Type 10 Household Garbage
- The vegetative and grass collection shall follow the recycling schedule as shown on the calendar on the front of this guide.

## Special Collection Periods

### Fall Leaf Collection

October 17 thru December 16

All leaves must be placed in BROWN BIO-DEGRADABLE PAPER BAGS or PILED LOOSE IN NEAT PILES AT THE CURB and will be picked up curbside by the DPW during this time period. No other yard debris will be accepted.

### Christmas Tree Recycling

Entire Month of January

Residents with real Christmas trees may leave them at curbside for pickup by the DPW during this time period.

Trees must be free of ornaments and cannot be bagged.

### Spring Cleanup

Entire Month of April

New Jersey State law prohibits leaves from being disposed of through the garbage collector. Leaves only must be placed in BROWN BIO-DEGRADABLE PAPER BAGS and will be picked up curbside by the DPW during this time period.

All other vegetative waste will be picked up by the Special Vegetative Waste Collection contractor.

## Grasscycling "Cut It and Leave It"

Grasscycling is the natural recycling of grass by leaving clippings on the lawn when mowing. Grass clippings decompose quickly, returning valuable nutrients back into the soil.

For more information on Grasscycling please visit the township's website at [www.cedargrovenj.org](http://www.cedargrovenj.org).

# Household Hazardous Waste and Other Items

## Regulated by the Essex County Utilities Authority

The Essex County Utilities Authority sponsors a Household Hazardous Waste Collection Day for County residents in May and October of each year.

**Location:** TBA

**For additional information:** Contact the ECUA at 973-792-9060 or visit [www.ecuanj.com](http://www.ecuanj.com)

## Be Safe With Hazardous Waste

Products used for cleaning, home improvements, automobile maintenance, and lawn and garden care contain ingredients that can harm human health and the environment. Properly disposing of these hazardous products will keep our community safe and clean.

### Paint

#### LATEX PAINT

Let paint can dry out and dispose of with your regular garbage.

#### OIL-BASED PAINT

Dispose of at one of the ECUA's Household Hazardous Waste Collection Days.

### Cooking Oil and Grease

Help keep our sewer system flowing! Place cooled cooking oil, poultry and meat fats in a sealed non-recyclable container and discard with your regular garbage.

## Rechargeable Batteries

NiCd/Rechargeable batteries ranging from the small 1.5V AAA batteries, to cell phone, laptop and power tool batteries can be disposed of at one of the ECUA's Household Hazardous Waste Collection Days.

**Alkaline batteries are no longer considered hazardous waste and can be disposed with your regular garbage!**
