BUDGET MESSAGE

INTRODUCTION:

The introduction, or approval, of the 2015 budget concludes a budget process which began last August with the distribution of budget forms and instructions to each municipal department and office. After meetings with each Department Director to review budget requests during the month of December, the Township Manager submitted the budget to the governing body in January in accordance with the statutory deadline. The Township Council held individual budget sessions with Department Directors and the Township Manager during January and February to consider budget revisions before the budget was finalized and approved on March 16, 2015.

LOCAL GOVERNMENT "CAP" LAW:

The local government expenditure limitation law, known as the "CAP" law, restricts allowable budget increases each year to not more than the established index rate promulgated by the New Jersey Department of Community Affairs.

In accordance with this law, the Director of the Division of Local Government Services in Trenton must promulgate the index rate applicable to the municipal budget CAPS. This index rate is based upon the Implicit Price Deflator for State and Local Governments calculated by the United States Department of Commerce, Bureau of Economic Analysis. The rate is 1.5% for 2015.

In accordance with the CAP law, a municipality may increase its allowable percentage increase in its budget from the 1.5% rate to a maximum of 3.5% by adoption of an ordinance.

Also, any unused or "banked" CAP amount from the previous year may be applied to this year's appropriations in accordance with an amendment to the CAP law enacted by the State Legislature.

The actual calculation of Cedar Grove's CAP is based upon a formula established by State regulation and is shown below. First, items of appropriation excluded from CAP limitations are subtracted from the total general appropriations for 2014. These items include municipal debt service, reserve for uncollected taxes, State and Federal grant programs, capital improvements and public library appropriations. The resulting figure is then multiplied by the index rate percentage, and the product is the amount by which the 2015 appropriations may be increased together with the amount realized from new construction and any unused CAP banking amounts from the previous year. Finally, the appropriations which were excluded may be set at appropriation levels necessary to meet the Township's obligations.

The 2015 CAP for the Township of Cedar Grove is calculated as follows:

In 2015, the Township will undertake capital improvements projects totaling $66,375 reflecting no increase as compared to last year. These projects are funded on a "pay-as-you-go" basis without incurring additional municipal debt. The specific capital improvements planned for 2015 are described in the narrative and financing schedules which follow for the Capital Improvement Program.

The statutory reserve for uncollected taxes reflects an decrease in the amount of $18,000. This is a mandated appropriation which is determined by a state formula and is based upon the amounts to be raised by taxation for Essex County and Board of Education as well as municipal purposes. The amount required to be appropriated for this purpose will be in the amount of $560,000.

REVENUES:

Under New Jersey law, the municipal budget must be balanced. This means "Appropriations," or spending, must not exceed "Revenues". Unlike the Federal government, a municipality can not adopt a budget showing a deficit.

There are several factors which have an impact on the amount of revenues available to support the 2015 Municipal Budget. These include interest on investments and deposits, fees and permits and municipal court fines and costs. These revenue categories replenished surplus and reduced the amount to be raised by taxation.

BUDGET MESSAGE

Sufficient revenues must be raised from various sources to support the annual spending plan. Revenues used to support the 2015 Municipal Budget are summarized below:

WHERE THE MONEY COMES FROM:

LOCAL REVENUES		
Surplus From Prior Years	$ 1,000,000.	07.2%
Miscellaneous Revenues	1,858,590.	13.3%
Minimum Library Levy	744,067.	05.3%
Local Property Taxes	9,291,116.	66.7%
	$12,893,773.	92.5%
STATE REVENUES	$ 1,048,629.	07.5%
TOTAL REVENUES	$13,942,402.	100.0%

In 2014, local revenues represent 92.5% of the total revenue requirement, which amount includes $9,291,116. to be raised by taxation for local levy and $744,067 for the minimum library levy.

Miscellaneous local revenues include licenses and fees, construction fees and permits, fines and costs collected by the Municipal Court, interest earned on idle municipal funds, payments in lieu of taxes from Cedar Ridge senior citizens housing complex, receipts from delinquent taxes and other miscellaneous revenues. For 2015, these miscellaneous local revenues anticipated in the budget total $1,858,590.

Last year, $1,000,000 was anticipated from the surplus to support the 2014 municipal budget. This year $1,000,000 will be available from the year-end surplus of $1,630,725 to support the 2015 municipal budget leaving an available balance of $630,725. The surplus is used by the municipality throughout the year to try to maintain an adequate cash-flow between tax collection periods.

In 2015, State revenues to be received by the municipality will total $1,048,629 or 7.5% of the total revenue requirement.

These State revenues are applied directly to the annual budget without offsetting appropriations thereby helping to reduce the amount of local property taxes required to support the 2015 budget. State Aid revenues anticipated in the 2015 budget is at the same level as the 2014 budget.

Additionally, the municipality anticipates receiving State categorical grant amounts of $64,988 which revenues are offset with appropriations dedicated for specific purposes, such as the Municipal Drug Alliance, Recycling Tonnage Grant and Non-Public Nursing.

LOCAL PROPERTY TAX RATE:

The local purpose tax rate is determined by the amount to be raised by taxation to support the general government operations, the reserve for uncollected taxes, and garbage collection and disposal after considering all of the other revenue sources.

The Reserve for Uncollected Taxes is a mandated budget appropriation which is calculated by a State formula, and it is based upon the revenue amounts required to be raised locally for the municipal budget as well as the amounts required for Cedar Grove's share of the Essex County budget and local school purposes. The Reserve for Uncollected Taxes will decrease from $578,000 in 2014 to $560,000 in 2015.

The amount to be raised by taxation for solid waste collection and disposal will be $1,536,424 for 2015, an increase of $30,126 compared to last year.

For 2015, an amount of $9,291,116 must be raised by taxation for the local levy and $744,067 for the library levy. The total of 10,035,183 to be raised from local property taxes for municipal government operating purposes, which is an increase of $215,284 compared to last year.

The 2015 municipal purpose tax rate is projected as follows:

	2015	2014	Increase (Decrease)
Municipal Government	$0.422	$0.411	$ 0.011
Minimum Library Levy	0.034	0.034	0.000
Garbage Collection/Disposal	0.070	0.068	0.002
TOTALS	$0.526	$0.513	$ 0.013

The 2015 local tax rate will increase to $0.422 per $100 of assessed valuation, an increase of $.011 as compared to last years tax rate of $0.411. The 2014 minimum library tax rate will remain the same at $0.034 per $100 of assessed valuation. The garbage collection/disposal tax rate will increase to $0.070 per $100 of assessed valuation.

The total property tax bill is determined by the amounts to be raised by taxation for school purposes and county government purposes. These amounts will be determined upon the final adoption of the Essex County Budget and School Budget.
